NEREID Domain Workshops

2016/03/02

The series of focussed technology-specific Domain Workshops will be organized with a reduced number of participants and supported by web meetings and web tools. Results will be collected and edited by the respective WP leader, if required with the support of dedicated experts, and made available to all the project community shortly after the date of the Domain Workshop, and anyhow within one month. Here a list of upcoming domain workshops:
