### Support to travel costs

**Contact:** Sylvie Pitot, Grenoble INP, [sylvie.pitot@grenoble-inp.fr](mailto:sylvie.pitot@grenoble-inp.fr).

Postal address: 46 avenue Felix Viallet, F-38031 Grenoble Cedex 01.

The travel costs of the external experts will be partly supported by the public contribution granted by the European Commission to the NEREID project.

Travel expenses refund for each expert has been evaluated at 500 EUR, assuming travelling in Europe with the lowest ticket cost plus one overnight.

For long distance location (non EU countries): please contact Sylvie Pitot.

The experts will take care of their travel details and booking.

General workshops: after the meeting, reimbursement (bank transfer) to the expert will be arranged by Grenoble INP/IESA (within a maximum limit of 500 EUR) on receipt of the corresponding original invoices and receipts. All original receipts and invoices together with a proposed reimbursement template should be sent to the coordinator of NEREID very shortly after the meetings.

Cancellation policy:

In case of "force majeure" (extraordinary natural or human-caused event/situation) preventing participation to a meeting, costs already incurred by the expert are eligible under the NEREID project and reimbursement will be possible. For other cases (illness, bankruptcy...), eligibility is suspended and reimbursement will not be possible.
